तेजी पर लगाम, सेंसेक्स 609 अंक फिसला

शेयर बाजार में शुक्रवार को पिछले पांच कारोबारी सत्रों से जारी तेजी थम गई और बीएसई सेंसेक्स 609 अंक फिसल गया। वैश्विक बाजारों में मिले-जुले रुझानों के बीच बैंक, वित्तीय और टिकाऊ उपभोक्ता सामान बनाने वाली कंपनियों में बिकवाली से बाजार नुकसान में रहा। कारोबारियों ने कहा कि वैश्विक स्तर पर कच्चे तेल की बढ़ती कीमतें, डॉलर के मुकाबले रुपये में गिरावट और लगातार विदेशी पूंजी की निकासी से भी निवेशक धारणा पर असर पड़ा। सेंसेक्स 609.28 अंक की गिरावट के साथ 73,730.16 पर बंद हुआ। कारोबार के दौरान एक समय यह 722.79 अंक टूटकर 73,616.65 तक पर आ गया था। निफ्टी भी 150.40 अंक के नुकसान के साथ 22,419.95 पर बंद हुआ। बजाज फाइनेंस में सबसे ज्यादा 8 फीसदी की गिरावट दर्ज की गई।

गो फर्स्ट को लौटाने होंगे पट्टादाताओं को विमान

दिल्ली उच्च न्यायालय ने शुक्रवार को नागर विमानन महानिदेशालय (डीजीसीए) को निर्देश दिया कि गो फर्स्ट को पट्टे पर दिए गए विमानों का पंजीकरण पांच कार्य दिवसों के भीतर रद्द किया जाए। इससे पट्टे पर विमान देने वाली कंपनियों को राहत मिली है। अगर गो फर्स्ट के समाधान पेशेवर उच्च न्यायालय के इस आदेश पर रोक लगाने अथवा उसे चुनौती देने की पहल नहीं करता है तो विमानन कंपनी को सभी 54 विमान पट्टा कंपनियों को वापस करना होगा। अदालत ने यह भी कहा कि पंजीकरण रद्द होने तक इन विमानों का रखरखाव पट्टादाताओं और उनके द्वारा अधिकृत प्रतिनिधियों द्वारा किया जाएगा। अदालत ने विमानन कंपनी और उसके प्रतिनिधियों को किसी भी विमान में प्रवेश करने अथवा उसका परिचालन करने से भी रोक दिया है। समाधान पेशेवर और गो फर्स्ट को विमान से किसी भी सहायक उपकरण, कलपुर्जे, दस्तावेज, रिकॉर्ड, सामग्री आदि को हटाने, बदलने और बाहर ले जाने से भी रोक दिया गया है।

लघु वित्त बैंक बनेंगे नियमित बैंक

आरबीआई ने पात्र लघु वित्त बैंकों से यूनिवर्सल बैंक बनने के लिए मंगाए आवेदन

मुंबई, 26 अप्रैल

भारतीय रिजर्व बैंक (आरबीआई) ने नियमित बैंक या यूनिवर्सल बैंक बनने के लिए 1,000 करोड़ रुपये की न्यूनतम शुद्ध संपत्ति (नेटवर्थ) होने समेत निर्दिष्ट मानदंडों को पूरा करने वाले लघु वित्त बैंकों (स्मॉल फाइनेंस बैंक) से आज आवेदन आमंत्रित किए। रिजर्व बैंक ने नवंबर, 2014 में निजी क्षेत्र में लघु वित्त बैंकों को लाइसेंस देने से संबंधित दिशानिर्देश जारी किए थे।

वर्तमान में एयू स्मॉल फाइनेंस बैंक, एक्विटास स्मॉल फाइनेंस बैंक और उज्जीवन स्मॉल फाइनेंस बैंक सहित करीब एक दर्जन लघु वित्त बैंक कारोबार कर रहे हैं। पात्र लघु वित्त बैंक को यूनिवर्सल बैंक का लाइसेंस मिलने से उनके कारोबार में भी इजाजा होगा।

भारतीय रिजर्व बैंक ने कहा कि नियमित बैंक बनने का लक्ष्य रखने वाले लघु वित्त बैंक की पिछली तिमाही के अंत में न्यूनतम शुद्ध संपत्ति 1,000 करोड़ रुपये होनी चाहिए। इसके अलावा उस बैंक का शेयर किसी मान्यता प्राप्त स्टॉक

एक्सचेंज पर सूचीबद्ध होना चाहिए। बीते दो वित्त वर्षों में ऐसे लघु वित्त बैंक को शुद्ध लाभ कमाने वाला होना चाहिए और पिछले दो वित्त

वर्षों में उसकी सकल गैर-निष्पादित आस्तियां 3 फीसदी और शुद्ध गैर-निष्पादित आस्तियां (एनपीए) 1 फीसदी से कम या इसके बराबर

आरबीआई ने शेयरधारिता के संदर्भ में कहा कि पात्र लघु वित्त बैंक के लिए चिह्नित प्रवर्तक होने की कोई अनिवार्यता नहीं है। हालांकि पात्र लघु वित्त बैंक के मौजूदा प्रवर्तक, यदि कोई है, नियमित बैंक में तब्दील होने पर प्रवर्तक के रूप में बने रहेंगे। इसके अलावा लघु वित्त बैंक से नियमित बैंक बनने की अवधि के दौरान पात्र लघु वित्त बैंक के लिए नए प्रवर्तकों को शामिल करने या उनमें बदलाव की मंजूरी नहीं दी जाएगी। आरबीआई के सचिव ने कहा कि लघु वित्त बैंक से यूनिवर्सल बैंक में बदलने पर मौजूदा प्रवर्तकों के लिए न्यूनतम शेयरधारिता की कोई नई अनिवार्यता लॉक-इन आवश्यकता नहीं होगी।

आरबीआई ने दिसंबर 2019 में लघु वित्त बैंक को नियमित बैंकों में बदलने से संबंधित प्रक्रिया निर्धारित की थी।

100 फीसदी वीवीपैट मिलान की अर्जी खारिज

भाविनी मिश्रा
नई दिल्ली, 26 अप्रैल

उच्चतम न्यायालय ने इलेक्ट्रॉनिक वोटिंग मशीन (ईवीएम) से पड़े एक-एक वोट का मिलान वीवीपैट पत्रियों से कराए जाने के लिए सुविधाजनक आज खारिज कर दी। इसका मतलब है कि पहले की ही तरह ईवीएम से मतदान होता रहेगा और सभी ईवीएम के साथ वीवीपैट मशीन जुड़ी रहेंगी।

न्यायमूर्ति संजीव खन्ना और न्यायमूर्ति दीपक दत्ता के पीठ ने कहा, 'हमारी राय में ईवीएम सरल, सुरक्षित और उपयोगकर्ता के लिए सुविधाजनक है। मतदाता, उम्मीदवार और उनके प्रतिनिधि तथा निर्वाचन आयोग के अधिकारी ईवीएम प्रणाली की बारीकियां जानते हैं। वे जांचते और सुनिश्चित करते हैं कि मशीन सही हों और सही तरीके से काम करें। वीवीपैट व्यवस्था आने से वोट के सत्यापन का विचार मजबूत होता है, जिससे निर्वाचन प्रक्रिया में जवाबदेही भी बढ़ती है।'

पीठ ने कहा कि ईवीएम से डाले गए वोट की संख्या गड़बड़ होने के संदेह भर से एक-एक वोट का मिलान वीवीपैट पत्रियों से कराए जाने की मांग इन याचिकाओं को सुनवाई के लिए स्वीकार करने का आधार नहीं हो सकती। अदालत ने यह भी कहा कि मतपत्रों के जरिये मतदान कराने या ईवीएम का कोई अन्य विकल्प लाने के कदम पीछे लौटने जैसे होंगे और इनसे भारतीय नागरिकों के

लोक सभा चुनाव के दूसरे चरण में 13 राज्यों और केंद्र शासित प्रदेशों की 88 संसदीय सीटों पर शुक्रवार को शाम 7 बजे तक करीब 61 प्रतिशत मतदान दर्ज किया गया

हितों की समुचित सुरक्षा नहीं होगी। इसलिए ऐसा कुछ नहीं किया जाना चाहिए।

अदालत ने कहा, 'हमें मतपत्र की पुरानी प्रणाली अपनाने का अनुरोध अनुचित और व्यर्थ मानकर खारिज कर देना चाहिए। मतपत्र प्रणाली की खामियों को सब जानते हैं।'

मौजूदा प्रावधान के तहत निर्वाचन आयोग किन्हीं पांच विधानसभाओं को औचक तौर पर चुनता है और वहां ईवीएम तथा वीवीपैट पत्रियों का मिलान करता है। एसोसिएशन फॉर डेमोक्रेटिक रिफॉर्मस ने याचिका दाखिल कर मांग थी कि 100 फीसदी वीवीपैट पत्रियों का मिलान किया जाना चाहिए। (शेष पृष्ठ 8 पर)

DURING SEARCH OPERATION

CBI Seizes Huge Cache of Arms in Sandeshkhali

Raid conducted in connection with an attack on ED officials on January 5

Our Political Bureau

Kolkata: The Central Bureau of Investigation (CBI) on Friday found a large number of arms and ammunition, including foreign-made pistol and revolvers, during search operations conducted at two premises in North 24 Parganas district's Sandeshkhali, in connection with the attack on the Enforcement Directorate officials on January 5 by followers of now suspended Trinamool leader Shahjahan Sheikh.

The CBI, in the Calcutta High Court-monitored probe, is already investigating an attack on the ED team by a mob allegedly instigated by Sheikh and all the land grab and torture on women related cases. The CBI team conducted searches at the residences of an associate of Sheikh, following a tip-off.

During investigation of the ED attack case, information was received that the items lost by the ED team and other incriminating articles may be hidden at the residence of an associate of Sheikh at Sandeshkhali. Accordingly, the CBI team along with CRPF personnel searched two premises at Sandeshkhali village to try to malign us, or create a drama.

"NSG commandos are recovering foreign arms from Sandeshkhali. This state has been a hotbed of explosives. We have seen CBI, ED, NIA and now it's NSG, BJP leader Savendra Adhikari said.

Ed Teams Tussle with US Officials, Raids Drug Dealer's Home

Series of meetings were held between US & ED authorities over the past few months, ET has learnt

New Delhi: In a rare instance, the Enforcement Directorate (ED) while teaming up with the US authorities, carried out a search operation on Friday in Haldwani, Uttarakhand to assist the US sleuths unravel the involvement of an Indian allegedly in an "international drug trafficking group".

People in the know told ET that the ED had registered a case under relevant provisions of the Prevention of Money Laundering Act in August last year after the US authorities reached out to the probe agency and shared information of two Indians allegedly involved in the drug racket.

The US authorities had been conducting investigation into the alleged involvement of Parvinder Singh and Bannmeet Singh, both having fronted the 'Singh Organization', said people in the know. "This group utilised vendor marketing sites on the Dark Web along with numerous free advertisements on clear web, to facilitate the sale of drugs. Additionally, they established a network of numerous and controlled-substance distributors and distribution cells.

Their transactions predominantly involved receiving payment in the form of cryptocurrencies in exchange for drugs, which were then laundered through cryptocurrency wallets, said a senior official on the condi-

tion of anonymity. The investigation by the US authorities revealed that both Bannmeet and Parvinder used common monikers on a variety of dark web markets such as 'SILK ROAD 1, AlphaBay and Hansa'.

In June 2019, just over a month after Bannmeet's arrest in the UK, the cryptocurrency funds obtained through the illicit sale of narcotic substances were transferred using a peer chain technology, the US probe disclosed. These funds were redirected to addresses linked with Wasabi Wallet, a virtual currency mixing service designed to obscure the flow of funds on the blockchain.

Subsequently Bannmeet was extradited to the US in 2023. He was convicted in the US for eight years "for the crimes of selling illicit drugs".

It might be mentioned here that the ED launches an investigation on the basis of an existing case or another prosecuting agency. However, in this case, the ED registered a case under PMLA involving a unique provision on the basis of information shared by the US authorities. The ED carried out a search operation today at Parvinder's residence in Haldwani after the US sought information with regard to electronic devices used by him such as computers, tablets, or smart phones (or a combination thereof) to carry out the alleged crimes.

Embassy Attacker Visited India in Dec with Family: Officials

Rahul Tripathi

New Delhi: A day after London businessman, Indepal Singh Gaba (38), was arrested for the 2023 attack on Indian mission by the pro-Khalistan supporters, officials said he had visited India in December last year with his family and was arrested after several rounds of questioning for his alleged involvement in the unlawful act in London.

Gaba, they said, owns liquor and grocery stores, and is a UK citizen. He also owns a house in Greater Kailash in New Delhi. Gaba was detained at the Indira Gandhi International Airport upon his arrival in December 2023 based on a lookout circular (LOC) issued by the NIA. "He was later allowed to move freely and was questioned by the NIA and arrested based on the evi-

dence. He has been remanded to NIA custody for six days by an NIA court in New Delhi," said a senior official. Gaba, according to the NIA, is a Sikh of Afghan origin and has been staying in London since 1985.

"NIA investigations in the case so far have revealed that the incidents in London on 19th and 20th March and 22nd March last year were parts of a larger conspiracy to unleash attacks on the Indian missions and its officials. The attacks in London in March 2023 were to be in retaliation to the action taken by Punjab Police against pro-Khalistan separatist Amritpal Singh on March 18, 2023," the agency said.

All Teams Together Several CBI teams along with West Bengal Police & central forces, including NSG, conducted search ops

during bomb disposal and the locality was evacuated, people in the know said. The premises were cordoned off by the security forces, amid water bodies and fisheries used for fish farming which are predominant in the region.

Sheikh was arrested by the West Bengal Police on February 29 in connection with the attack by around 1,000 people, in which three ED officials were injured.

Amid the political mudslinging, Trinamool leader Kunal Ghosh said, "There may be a conspiracy behind this. If arms have entered Sandeshkhali, it may be to malign us, or create a drama."

"NSG commandos are recovering foreign arms from Sandeshkhali. This state has been a hotbed of explosives. We have seen CBI, ED, NIA and now it's NSG, BJP leader Savendra Adhikari said.

India is a Democracy in its Own Right: German Envoy

Philipp Ackermann says both India & Germany have a clear interest in maintaining int'l rules-based order

India is a democracy in its own right, German ambassador to India Philipp Ackermann said, adding no two democracies even in Europe, are similar. In a free-wheeling interview with ET's Dipankar Roy Chaudhary, Ackermann spoke on a range of issues, including China, India-German business ties and the state of Ukraine war. Edited excerpts:

Q: The American democracy is different from Germany. You have to develop a democracy in your own environment that reflects the people and how they work.

A: China has problems competing with Germany. And that's what the chancellor referred to and said fair competition is important. The German approach to China has been of course changing because China has changed. You should not forget, I mean, 10 years ago, China was different. So, we have to adapt to the Chinese way of behaving on the international stage. But we don't want to talk about decoupling or de-risking. The German business community is very vested in China, but we say don't put all the

eggs in one basket. Now, on this level, India comes into the game because it is a very interesting alternative to getting business done. Or investing. I think the business opportunity is only one element when it comes to India. China has been a competitor of India and Germany have more of an overlap, political overlap, when it comes to looking at the world as a whole. I would say both have a clear interest in maintaining the international rules-based order.

Q: ON GERMAN FDI AND INDIA: How new been that the Indian government will offer a very low tax regime for those who invest in India. I think it's 15%. So, we do hope that those who have invested in India before, they also benefit from this. That will be, I think, fair compensation that have invested in India and who produce a value in India. Like Mercedes, should also benefit from this very generous incentive. Everybody asks me what has

changed in India since I came back, you know, it's about 15 years ago [Ackermann served as political counsellor in New Delhi between 2007 and 2010]. One thing that hasn't changed is FTA negotiations. But I agree that now there is fresh energy and there is more determination. I would say more decisiveness in pursuing these negotiations. From our national point of view, the India-EU FTA would be a real game changer.

Q: ON UKRAINE WAR: There is no way that the Ukraine war is going anywhere in the next couple of months. I feel there is really no willingness to sit down and try to end peacefully... However, all international efforts tend war, including the Swiss Peace Summit, are welcome.

Mehraj | Bhihoda | Himmatnagar: As dust settles, the Sabarkantha Lok Sabha constituency will vote to choose between a former Union minister of state and a school teacher who resigned recently to step into active politics.

The fight here is between Congress' Tusar Chaudhary, son of former Gujarat chief minister N. Chandrababu Naidu and a former Union minister of state and the BJP's Shobha Baraiya, wife of former Punjab MLA and Indian National Congress leader, who joined the BJP from the Congress in 2022.

This state has been a hotbed of explosives. We have seen CBI, ED, NIA and now it's NSG, BJP leader Savendra Adhikari said.

phase, and everything will be ironed out," she added. The Prime Minister is expected to address a rally at Himmatnagar on May 1.

Noting he is disappointed for BJP to win all the constituencies of Gujarat. The schoolteacher-turned-politician, when asked about her debut in politics, beamed with pride and said, "I am not a politician. My mother-in-law has been a member of the taluk panchayat and my sister-in-law was a sarpanch. I come from a political family."

As the landscape changes and the terrain gets hillier, the tone shifts. At Mehraj, Mahammad Hanif, a garage owner, makes his displeasure clear. "Bhikhi's decision to enter politics has been wronged. He has been there for us for so many years if Mr. Munshi had not joined the BJP in this area, that is because of his personal associations. Party's decision to hand down will with the people," he said.

But across villages, a significant number of people are set to vote for the party symbol. "Kai is a good child. There is a lady," said Babu Patel, sitting outside a tailor shop at a crossroads of morning was slow. The route to the pilgrimage centre of Shanlaji. "What difference does it make? As long as we have to do is to press the button on the lotus and we shall do it," he added, as his septuagenarian friends agreed.

However, along the tribal areas of Shanlaji and Rithlida, the BJP candidate Chaudhary is being looked at as a strong contender. "With his background, he is popular among the tribal community as well as others in this region and this is a tough contest here," said Mamata, a schoolteacher.

Monitors to Baraiya's claims, the discommodities are visible in this region. Until last week, party workers were hardly seen at BJP offices. At Bhihoda, the election office that was inaugurated in the morning was slow. The route to the pilgrimage centre of Shanlaji. "What difference does it make? As long as we have to do is to press the button on the lotus and we shall do it," he added, as his septuagenarian friends agreed.

Narwekar Begins his Low-key LS Campaign

Krishna.Kumar@timesgroup.com

Mumbai: Maharashtra Assembly Speaker and potential BJP candidate from the Mumbai South seat Rahul Narwekar has begun his low-key campaign in the constituency as he awaits for an official announcement of his candidature. Maharashtra's second phase of Lok Sabha polling got over today however, the seat-sharing tussle between the BJP and its allies continues in several seats. This has led to a situation where prospective and hopeful candidates are doing low key campaigning. Narwekar has been travelling through the constituency and meeting locals and holding small meetings with much fanfare.

The Mumbai South seat has been sought by the Shiv Sena leader Sanjay Nirupam, Shiv Sena (Shinde) MP Hemant Godse is also doing a low key campaign, meeting people and holding meetings. The Shiv Sena (Shinde) has not been able to announce Godse's name for the seat as the BJP has promised the NCP that its candidate will contest from the Shiv Sena (Shinde) against Uday Bahubhai Thackeray's Amol Kirtikar.

Even though Godse's name has not been cleared by the contest yet, he has got the nomination papers and sources in the Shiv Sena claimed that there is a possibility that Godse would rebel if he was not named as the candidate.

In Mumbai North west, former congress leader Sanjay Nirupam is also holding low key meetings in the constituency. Nirupam is keen to contest from the Shiv Sena (Shinde) against Uday Bahubhai Thackeray's Amol Kirtikar.
