precautions to ensure that there is no third wave," said CM in his appeal. Expressing concern over people's behaviour amid pandemic, "We want to do corona test daily but many people refuse to undergo the test. Please do get tested for Covid because it will be known that if positive cases increase then Covid-19 affected people will have to be isolated. Second dose must be administered. I appeal again that the second dose is very important for our safety."

Sportspersons should oversee...

FP: How did you handle the break from the game during the lockdown?

Advani: As a sportsperson, it definitely took a toll. I kept waiting to get back to the tournaments and, for that matter, to the practice while the lockdown was getting extended. Not only physically, but it also took a toll on my mental health. Nevertheless, my practice and my family kept me sane.

FP: Do you see the need for cuesport in Olympics?

Advani: These are the decisions that the federation makes. Still, tell me which is better—a Bolly and star giving one hit in four years, or one hit every year? A game not being in Olympics is no reason to berate it. We have annual championships. But, yes, sports is all about equality. The government should invest in non-Olympics sports, too, as there are many young players who fail to excel due to a lack of opportunities.

FP: How do you handle a defeat from budding players who aspire to be you someday?

Advani: It is tough (laughs). Many a time, these new players have several tricks up their sleeves which I may not know or recall. They play as they have nothing to lose when they're up against me. So, they go in with all they have. But, at the end of the day, it's a game and has to have a winner and a loser and I heartily accept that.

FP: Against popular belief, cuesports demand a fit body. What's your fitness regime?

Advani: Yes, people think the game is only about concentration. But a fit body holds as much importance. I have a game-specific training regime. I train for my upper back, lower back and core. A strong core is required for bending during the game. I was out of the game in 2018 for six months due to an upper back injury. It was tough coming back.

FP: Who do you think is a tough competition for you in internationally?

Advani: Pakistani players are coming out real good these days. Also, currently, I don't think I'm in my rhythm. I recently got married and Kamal (Chawala) here says I'm too much into the marriage and little out of the game!
