NEW MAHARASHTRA GOVT GIVES ALL CLEARANCES FOR THE AHMEDABAD-MUMBAI BULLET TRAIN PROJECT

Shinde Cuts Fuel Prices, Restores Pension & Other Schemes Scrapped by Uddhav Govt

Announces direct election for sarpanch and municipal council presidents to reduce influence of money on polls

Krishna.Thevar@timesgroup.com

Mumbai: The Eknath Shinde government on Thursday took several steps to reverse the decisions taken by the Maha Vikas Aghadi government. From announcing a reduction in cess on petrol and diesel by Rs 5 and Rs 3 respectively to giving clearances for the Mumbai-Ahmedabad bullet train project, to reinstating pensions for those jailed during the emergency—several decisions were taken by the Shinde government.

After Thursday's cabinet meeting, Chief Minister Eknath Shinde and Deputy Chief Minister Devendra Fadnis announced that the state had decided that the presidents of nagar panchayats and nagar parishads in the state would be elected directly by the people.

"The government has decided to make the change as a direct election for electing the sarpanches is the norm in

NDA's presidential candidate Droupadi Murmu with Union minister Nitin Gadkari, Maharashtra CM Eknath Shinde and BJP leaders in Mumbai—PTI

several states for several years. This was done in 2017 but the decision was reversed in 2020 by the MVA government. Since it was not a direct election there was money power and other means used by people to get elected as presidents of nagar panchayats, parishads," Fadnis said.

The MVA government, led by Uddhav Thackeray, had reversed the decision of the Fadnis government in 2020 after Congress and the NCP had complained that direct elections led the BJP to increase its presence in local bodies as they had their own people elected to head these bodies.

The other major decision that was reversed was to give pension to those who had fought against the Emergency in 1971 and were imprisoned for it. "A decision was taken to reinstate the move to honour those who fought during the Emergency," Fadnis said.

The BJP-Sena government in 2018 had decided to give a monthly pension of Rs 10,000 per month to those people who had been imprisoned for more than a month during the Emergency.

Fadnis said several former opposition chief ministers like Lalu Prasad Yadav from Bihar and Mulayam Singh in Uttar Pradesh had decided to give pensions to those who fought the Emergency. "The Jan Sangh and other political parties had all fought against

the Emergency. We have decided to reinstate the pensions that were cancelled in 2020 by the MVA," Fadnis said.

Incidentally, another decision taken by the MVA government in 2020 was to scrap the erstwhile BJP-Sena government's move to allow farmers voting rights in the various Agricultural Produce Market Committees (APMCs).

The biggest decision taken was to reduce the state cess on petrol and diesel by Rs 5 and Rs 3 respectively. "People would benefit from this move. When the Centre had brought its taxes earlier several states had reduced the cess except a few like Maharashtra. We have now decided to do this," Shinde said. This move would mean a revenue shortfall of Rs 6,000 crore annually. The MVA had refused to bring down state cess as the state needed it as it was facing a fund crunch.

Fadnis announced that the chief minister had given all clearances held up during the MVA government period for the Mumbai-Ahmedabad Bullet train project.

WITH CHANGE OF GOVERNMENT IN MAHARASHTRA...

Mum-Ahd Bullet Train Project Gathers Steam

Our Bureau

New Delhi: The pace of work on the Mumbai-Ahmedabad bullet train project has picked up pace with the change in government in Maharashtra.

The long-pending land acquisition issue in the state is expected to be resolved soon with some 1.2 hectares of additional land in Palghar being acquired in the last 10 days alone, officials told ET.

On July 4, the Eknath Shinde-led government proved its majority in the Maharashtra assembly. Work on the Maharashtra side of the project had slowed at the time of the previous Shiv Sena-NCP-Congress government.

Officials said consensus has also been achieved on another long-pending issue of shifting a Bharat Petroleum pump located on a plot in the Bandra Kurla Complex (BKC). This plot has been earmarked for the construction of a terminus of the high-speed train. It will have a three-story underground structure with six platforms on the lowest level.

The Mumbai Metropolitan Region Development Authority is expected to issue directives on this, officials said.

It is estimated that land for 508 route km would be needed for the high-speed rail project

that was launched in September 2017. The total cost of the project was estimated at ₹1.1 lakh crore when it was announced.

With the recent developments, 90.56% of the required land has been acquired for the entire project. This includes 98.8% in Gujarat, 100% in Dadar Nagar Haveli and 72.25% in Maharashtra. In all, 384 km of land is required in Gujarat, 155 km in Maharashtra and 5 km in Dadar Nagar Haveli.

Railway officials said the state government has assured that issues involving the transfer of land for the BKC underground station (4.84 Ha) and 3.92 hectares at Vikroli for a tunnel shaft would be resolved by September.

AFTER STUDYING ANDHRA, PUDUCHERRY MODELS

UP Says Will Embrace Dynamic, Interactive Tech to Run Temples

After CM's intervention, welfare board to look after maulvis and fakirs too

Kumar.Anshuman@timesgroup.com

New Delhi: The Uttar Pradesh government is studying the integrated temple management systems (ITMS) in use in Andhra Pradesh and Puducherry, among other parts of the country, to develop its own system. A comprehensive presentation in this regard was made before chief minister Yogi Adityanath last week, said officials.

Reviewing Andhra Pradesh and Puducherry's ITMS in the presentation made by UP's department of religious affairs, state government officials said the colour theme and design of the website was not very attractive. Further, they said, the services available on the website were not interactive enough for ease of the pilgrims.

UP has therefore decided to develop a website with a dynamic page and interactive icons. The government plans to make it a one-stop solution for anyone who wants any information about the history, culture, darshan and facilities at major temples of

the state. "Chief minister Yogi Adityanath has envisioned such an integrated temple management application and website. We will complete everything within the coming six months," Awanish Awasthi, additional chief secretary, religious affairs department, told ET.

"Going forward we can add on more services on the website."

Earlier, the government had planned a welfare board for aged priests and saints. However, following the CM's instructions, it has decided that the board will also include maulvis and fakirs. "First, we will build the ITMS. The welfare board will come next," said Awasthi.

RELAUNCH OF EX-CONGRESS PRESIDENT

Rahul Gandhi Set to Lead 3,500-km, 148-day Padayatra

Congress' 'Kanyakumari to Kashmir Bharat Jodo Yatra' takes new dimension with plans for Rahul

CL.Manoj@timesgroup.com

New Delhi: The Congress party's Kanyakumari to Kashmir 'Bharat Jodo Yatra', proposed at its Udaipur Chintan Shivar, appears to be all set to become an occasion for yet another "Rahul Gandhi relaunch" experiment.

The tentative plans being discussed within the party include Gandhi personally leading a 'padayatra' (journey by foot), covering 3,500 km in 148 days, ET has learnt.

Even as the Congress circles widely expect Gandhi to return as the Congress president through the scheduled August-September election of the new president, party leaders Digvijaya Singh and Jairam Ramesh announced at a media briefing on Thursday that the commencement of the padayatra could be advanced ahead of the originally scheduled October 2 launch. The duo, though, insisted that the rescheduling of the yatra plan was only due to the "the repeated and intensifying attacks on our democracy, our country's Constitution ... by the Modi Sarkar and the BJP". Incidentally, an October 2 launch would have led it right into the year-end Gujarat

and Himachal Pradesh elections. Announcing that the proposed Congress yatra would be now in the form of "a 3,500-km padayatra through 12 states and two union territories", they only said all the Congress national and state-level leaders would participate in it.

However, a participant at Thursday's meeting of AICC/PCC functionaries to work on the plans of the yatra, told ET: "As per the plan being discussed, Rahul Gandhi ji will personally lead, throughout, the Congress party's 3,500-km padayatra. While all top leaders along with party workers will participate in the padayatra by taking turns, Rahul ji will lead it from the beginning in Kanyakumari till its conclusion in Kashmir."

ED Arrests Ex-NSE MD in Phone Tapping Case

Our Bureau

Mumbai: The Enforcement Directorate (ED) on Thursday arrested former National Stock Exchange chief Chitra Ramkrishna in a money-laundering case connected to the alleged illegal interception of phone lines used by exchange employees.

Ramkrishna was arrested from Delhi's Tihar jail, where she was in judicial custody in the NSE co-location case filed by the CBI. She was remanded in ED's custody by a court until July 18.

The federal agency, which is also probing allegations of money

laundering in the NSE co-location case, registered a fresh enforcement complaint information report, based on an FIR filed by the Central Bureau of Investigation in the snooping case. In its FIR, the CBI has also named former NSE head Ravi Narain, ex-Mumbai police commissioner Sanjay Pandey and a firm linked to the retired police officer's family, Isec Services, which was hired by the NSE to carry out an audit work and had allegedly monitored the phone lines illegally.

26.18 अरब डॉलर की
ऊंचाई पर व्यापार घाटा

व्यापार घाटा जून में बढ़कर 26.18 अरब डॉलर की रिकॉर्ड ऊंचाई पर पहुंच गया। वाणिज्य एवं उद्योग मंत्रालय की तरफ से गुरुवार को जारी आंकड़ों के मुताबिक कच्चा तेल, सोना और कोयले आदि के आयात बढ़ोतरी से व्यापार घाटा बढ़ा है। नियत जून में सालाना आधार पर 23.52 फीसदी बढ़कर 40.13 अरब डॉलर रहा, जबकि आयात 57.55 फीसदी बढ़कर 66.31 अरब डॉलर की रिकॉर्ड ऊंचाई पर पहुंच गया।

थोक मुद्रास्फीति जून में
घटकर 15.18 फीसदी हुई

जून में थोक मूल्य सूचकांक आधारित मुद्रास्फीति घटकर तीन महीने के निचले स्तर 15.18 फीसदी पर आ गई। हालांकि खाद्य वस्तुओं के दामों में तेजी बनी हुई है। थोक मुद्रास्फीति अप्रैल, 2021 से लगातार 15वें महीने 10 फीसदी से ऊंची बनी हुई है। पिछले महीने थोक मुद्रास्फीति 15.88 फीसदी के रिकॉर्ड उच्च स्तर पर थी। जून में खाद्य वस्तुओं की मुद्रास्फीति 14.39 फीसदी रही।

एनएसई की पूर्व एमडी
चित्रा गिरफ्तार

प्रवर्तन निदेशालय (ईडी) ने गुरुवार को नेशनल स्टॉक एक्सचेंज (एनएसई) की पूर्व प्रबंध निदेशक चित्रा रामकृष्णन को गैर-कानूनी तरीके से फोन टैपिंग और एक्सचेंज के कर्मचारियों की जासूसी से जुड़े धनशोधन मामले में गिरफ्तार किया है। दिल्ली की एक अदालत से मंजूरी मिलने के बाद ईडी ने पूछताछ के लिए गिरफ्तार किया है। विशेष न्यायाधीश सुनैना शर्मा ने चार दिन की हिरासत में पूछताछ की अनुमति दी है। इससे पहले सीबीआई ने एक मामले में रामकृष्णन को गिरफ्तार किया था।

हीथ्रो के फैसले से एयरलाइंस परेशान

अनीश फडणीस
मुंबई, 14 जुलाई

यात्रियों की लंबी कतार, सामान पहुंचने में देर जैसी दिक्कतें देखकर लंदन के हीथ्रो हवाई अड्डे ने रोजाना केवल 1 लाख लोगों को उड़ान भरने देने का फैसला किया है। यात्रियों की संख्या पर इस बंदिश से लंदन और भारत के बीच उड़ानों पर असर पड़ा है।

वर्जिन एयरलाइंस ने आज लंदन से दिल्ली की अपनी सुबह की उड़ान रद्द कर दी। एयर इंडिया ने भी लंदन-अहमदाबाद उड़ान को कई घंटे आगे बढ़ा दिया। हीथ्रो हवाई अड्डे पर यह बंदिश 11 सितंबर तक रहेगी, जिससे अगले दो महीने तक दोनों देशों के बीच हवाई यातायात कम रह सकता है।

हीथ्रो ब्रिटेन का सबसे व्यस्त हवाई अड्डा है और इस पर यात्रियों की संख्या कम करने का फैसला इसलिए किया गया है क्योंकि मुसाफिरों की तादाद बढ़ने से हवाई अड्डा प्रशासन को खासी परेशानी का सामना करना पड़ रहा है। हीथ्रो हवाई अड्डे के इस निर्णय से कई विमानन कंपनियों को अपनी उड़ानें रद्द करनी पड़ रही हैं और

कुछ को उनका समय बदलना पड़ रहा है या ब्रिटेन के किसी अन्य हवाई अड्डे की ओर उड़ान भेजनी पड़ रही है।

भारत और लंदन के बीच एयर इंडिया, विस्तारा, ब्रिटिश एयरवेज और वर्जिन अटलांटिक की उड़ानें रोजाना आती-जाती हैं। एयर इंडिया हर हफ्ते लंदन के लिए 33 उड़ान और बर्मिंघम के लिए हफ्ते में एक उड़ान चलाती है। इसी तरह विस्तारा की रोजाना एक उड़ान दिल्ली से लंदन के लिए जाती है।

हीथ्रो ने विमानन कंपनियों से 25 जुलाई तक कुछ उड़ानें रद्द करने को कहा है। विमानन कंपनियां उड़ानों

बफर से कुछ ही अधिक बचा गेहूं

कुल खाद्यान्न भंडार 2019 के बाद से सबसे कम, चावल भंडार ज्यादा

संजीव मुखर्जी
नई दिल्ली, 14 जुलाई

देश के केंद्रीय पूल में गेहूं की मात्रा बहुत कम हो गई है और 1 जुलाई को करीब उतना ही गेहूं बचा था, जितना कामकाज के लिए जरूरी बफर स्टॉक और आवश्यक भंडार में होना चाहिए। 2021-22 के फसल विपणन वर्ष में गेहूं का उत्पादन गिरना तथा खरीद कम रहना इसकी वजह है।

मगर इस दौरान चावल की मात्रा बफर और आवश्यक भंडार के निर्धारित पैमाने से बहुत अधिक (134 फीसदी अधिक) थी। आम तौर पर 1 जुलाई को गेहूं का भंडार सबसे अधिक रहता है क्योंकि इससे पहले के तीन महीनों यानी अप्रैल, मई और जून में इसकी खरीद होती है।

ताजा आंकड़े बताते हैं कि 1 जुलाई, 2022 को केंद्रीय पूल में करीब 285.1 लाख टन गेहूं था। इस तारीख को बफर और आवश्यक भंडार के रूप में कम से कम 275.8 लाख टन गेहूं होना चाहिए मगर कुल मात्रा इससे केवल 10 लाख टन अधिक है।

इससे पहले 2008 में इस तारीख पर केंद्रीय पूल में गेहूं की मात्रा इससे कम थी। उस साल 1 जुलाई को केवल 249.1 लाख टन गेहूं था। आंकड़ों से पता चलता है कि 1 जुलाई 2015 को भंडारण के

नियमों में बदलाव के बाद पहली बार 1 जुलाई को गेहूं की मात्रा बफर और आवश्यक भंडार के इतने करीब रही है। इसके उलट इस महीने की पहली तारीख को केंद्रीय पूल में करीब 315 लाख टन चावल होने का अनुमान है, जो

135 लाख टन के जरूरी भंडार से बहुत अधिक है। इसमें मिल मालिकों के पास पड़ा करीब 231.5 लाख टन बिना कुटा धान शामिल नहीं है, जो 2015 के बाद सबसे अधिक है।

वैश्विक मंदी के डर से
नरम पड़ेगी मुद्रास्फीति

अरुण रायचौधरी
नई दिल्ली, 14 जुलाई

वित्त मंत्रालय के आर्थिक प्रकोष्ठ ने जून की मासिक आर्थिक रिपोर्ट में संभावना जताई है कि विश्व भर में मंदी के दबाव के कारण वैश्विक कीमतों में कमी आएगी और उससे भारतीय अर्थव्यवस्था में मुद्रास्फीति का दबाव भी कम हो सकता है। रिपोर्ट में कहा गया है कि ज्यादातर स्थानीय संकेतक वैश्विक वृद्ध आर्थिक उथल-पुथल का सामना कर ले रहे हैं और वस्तु एवं सेवा कर (जीएसटी) के बेहतर संग्रह तथा विंडफॉल कर प्राप्ति से घाटे के बजट का दबाव कम हो सकता है। रिपोर्ट में कहा गया कि वैश्विक प्रतिकूल परिस्थितियां विकास में बाधक बन रही हैं

क्योंकि भारत में कच्चे तेल और खाद्य तेल में तेजी से महंगाई बढ़ी है। हालांकि इनकी कीमतों में थोड़ी नरमी आई है, जिससे मंदी का खटका भी कम होता दिख रहा है। इससे देश में मुद्रास्फीति का दबाव भी कम होगा।

जून में उपभोक्ता मूल्य सूचकांक आधारित मुद्रास्फीति 7.01 फीसदी पर रही। यह लगातार छठे महीने भारतीय रिजर्व बैंक के 4 फीसदी के औसत लक्ष्य से ऊपर रही है। इससे लगता है कि रिजर्व बैंक आगे दूर और बढ़ा सकता है। रिपोर्ट बताती है कि करीब पांच महीनों से रूस-यूक्रेन के बीच चल रहे युद्ध के कारण भारत की आर्थिक गतिविधियां बढ़ती मुद्रास्फीति और बढ़ते व्यापार घाटे की चुनौती के बावजूद सुचारु रूप से चलती रही हैं। कृषि और विनिर्माण में भी तेजी दिख रही है।
